IPS RECOGNIZED IN ENR'S 2009 TOP 500 DESIGN FIRMS

Lafayette Hill, PA; May 10, 2010 - Integrated Project Services (IPS), a leading, full-service engineering, construction, commissioning and qualification company dedicated to helping clients succeed with capital projects and improve operations, today announced that is ranked in *Engineering News-Record* (ENR) magazine's annual publication of Top 500 Design Firms List for 2009 at No. 358.

"We are proud to be recognized as one of the Top 500 Design Firms by ENR," stated Dave Goswami, PE, president and chief operating officer. "IPS' continued success reflects our commitment to providing our clients with cost-effective business solutions to help achieve their business objectives and project goals."

The ENR Top 500 Design Firms List, <http://enr.construction.com/toplists/designfirms/001-100.asp>, published annually in April, ranks the 500 largest U.S.-based engineering, architectural and environmental design firms, both publicly and privately held, based on design-specific revenue. It ranks the largest firms in all market sectors including refinery, chemical plants, power generation, textile, auto industry, etc.

Engineering News-Record provides the business and technical news for the construction industry worldwide. Serving about 78,000 subscribers with an additional pass-along readership of 257,400, the audience includes contractors, project owners, engineers, architects, government regulators and industry suppliers who work around the world.

About IPS

Integrated Project Services (IPS), www.ipsdb.com, is a full-service engineering firm dedicated to helping clients succeed with capital projects and improve operations. We specialize in complex facilities in high-tech and highly regulated industries providing technical consulting, engineering, construction and commissioning and qualification. For over twenty years, we have applied LEAN techniques throughout the project life cycle, continually finding ways to do things better and more efficiently, delivering higher quality and controlling costs. Headquartered in Lafayette Hill, PA, IPS has branch offices in California, Massachusetts, North Carolina, New Jersey, Indiana and India.
