IPS APPOINTS PAULA CASALINO, P. ENG. AS VICE PRESIDENT – CANADA OPERATIONS

- Ms. Paula Casalino, a well-known biopharmaceutical industry executive, brings owner-side experience and cutting-edge solutions to IPS' Canadian operations -

Blue Bell, Pennsylvania, October 30, 2017 – IPS-Integrated Project Services, LLC (IPS), a leading provider of Engineering, Procurement, Construction Management and Validation (EPCMV) services, announces the appointment of Ms. Paula Casalino, P. Eng. as Vice President of their Canada Operations in Toronto, Ontario. Ms. Casalino is an established industry executive providing direct owner and operator experience that supports the vision and road map of IPS' Canadian operation as a part of the company's strategic global growth plan.

Ms. Casalino has over 20 years of experience in the life sciences industry in various leadership roles. In her most recent role as the North American Head of Engineering for one of the world's leading vaccine manufacturer, she was responsible for the region's capital portfolio in excess of \$200M/annually in CAPEX and OPEX. Throughout her career, she developed a culture of continuous improvement and realized many successes including receiving two Silver Chairman's Awards for Health & Safety, implementing cost controls by reducing waste, and optimizing production capacity whereby she exceeded plant production record by 300%.

Having a distinguished background in a client's organization, Ms. Casalino has the first-hand knowledge of the current challenges that IPS customers face today. This experience, coupled with her results-driven approach to project implementation, underpins IPS' strategy and further positions IPS as the leader in technology and single-source EPCMV project delivery throughout the world, principally in the life sciences industry.

"We pride ourselves on attracting the best talent in the industry to come work for IPS. Ms. Casalino, with years of experience in the life science industry, is a welcomed addition to our great organization of thought leaders," stated Mark Butler, President and Managing Director of the Americas. "I'm confident Ms. Casalino will provide strong leadership to our Canadian operation and contribute significantly to the continuous growth of the Americas region."
