**IPS APPOINTS QUALITY AND OPERATIONAL EXPERT AS
REGIONAL COMPLIANCE MANAGER FOR THE NEW ENGLAND AREA**

- Mr. Robert Huson Expands Compliance Division to the New England Area -

Blue Bell, PA; October 13, 2015 – IPS-Integrated Project Services, Inc. (IPS), one of the largest global engineering, construction, and validation service firms focused in the biopharmaceutical industry announces the appointment of Mr. Robert Huson as Regional Compliance Manager of the New England area.

Mr. Huson has over 23 years of diverse business experience in pharmaceutical research, development, technology transfer, manufacturing, validation, quality assurance, and regulatory affairs. He has developed and patented new products and moved those ideas from concept to commercial production in record times. He specializes in the evaluation and improvement of quality systems, supplier auditing (CMO and CRO), and technology transfer.

Prior to joining IPS, Mr. Huson held executive management positions with ICQ Consultants, BFS Pharma, and Advanced Vision Research. He has a Bachelor of Science Degree in Chemistry from the University of Illinois and is an active member of ISPE, PDA, and RAPS.

In his role at IPS, Mr. Huson will be leading the effort to provide clients with IPS' full validation services through the full life cycle of capital projects in the New England area. He will also be responsible for business development, managing projects in the area, recruiting, staff development and training. From both a consulting and owner's side perspective, Mr. Huson focuses on helping clients increase efficiencies and improve cost and schedule performance of asset delivery and life cycle operations.

Mr. Huson stated, "I look forward to joining the leadership team to bring IPS service offerings to the New England market. I am excited to work with a company that has such a strong presence in the industry."

"We are pleased to have Rob join IPS," said Dave Goswami, PE, Chief Executive Officer and Chairman, of IPS. "His ability to understand the full spectrum of pharmaceutical development through commercialization makes him a great fit for the IPS Compliance Division. We are excited to have Rob leading our group in the New England area as we make strategic efforts to build and strengthen our presence in that region."

About IPS

IPS-Integrated Project Services, Inc. is a global leader in developing innovative and cost effective solutions for the design, construction, project controls, commissioning and qualification of complex pharmaceutical and biotech facilities. With technical expertise spanning R&D to pilot-scale to large-scale production, the IPS team specializes in the technology, trends and regulatory expertise to successfully deliver capital projects and improve operations. Headquartered in Blue Bell, PA, IPS is a multi-national company with over 900 professionals and offices in California, Indiana, Kansas, New England, New Jersey, North Carolina, Brazil, Singapore, China, and four locations in India. IPS is one of the fastest growing global companies servicing the biopharmaceutical and animal health industry. Visit our website at www.ipsdb.com.
