

We're Moving!

IPS Corporate Headquarters is Moving as of June 3

Over the past several years we have experienced tremendous growth, celebrated recognition from prestigious business publications such as *Forbes*, *The Wall Street Journal* and *Philadelphia Business Journal*, and won ISPE Facility of the Year awards in four different categories. We embrace the responsibility that comes with recognition as we continue to provide clients with our world-class business solutions, superior technical expertise and client service that they have come to expect from our team and the IPS brand.

As a result, it is with great pleasure that I write to inform that our PA-based Corporate Headquarters is moving to a new, larger location that accommodates our growth and enables us to enhance the overall client, vendor and employee experience. Over the weekend of May 31, we will be moving to our new home located at:

IPS-Integrated Project Services
721 Arbor Way
Blue Bell, PA 19422

Our office numbers will remain the same

T: 610.828.4090
F: 610.828.3656

Should you have any questions on the new location, be sure to contact us so we can answer them. We are delighted with our new building and look forward to sharing the excitement with our valued clients.
