IPS ANNOUNCES FIRST GRADUATES OF IPS UNIVERSITY

- IPS' Corporate Educational Partnership with University of Phoenix -

Lafayette Hill, PA, June 19, 2007 – Integrated Project Services (IPS), a leading, full-service engineering, design/build, validation, and compliance company dedicated to assisting pharmaceutical and biotech companies improve operations, today announced the graduation of the first class of employees participating in an educational partnership with University of Phoenix, Philadelphia Campuses.

The IPS University program offers employees' professional and managerial development opportunities which provide the knowledge and skills needed to succeed in today's business environment. Through this partnership, IPS employees have the opportunity to complete an in-depth, customized certificate program focused on management and leadership skills. Participating employees had the convenience and flexibility to attend classes held at IPS corporate headquarters.

The first graduating class included the following IPS employees:

- Patrick N. Boccio, PE
- Gregory M. Call
- Samuel R. Colucci, PE
- Tony E. Goodson, PE
- Marne M. Markovics
- Robert M. Ragno
- Timothy J. Repetz, PE
- Aaron D. Weinstein
- Jeff T. Wenner, ME

"We are very pleased with the progress of our first graduating class and in our choice of the University of Phoenix as an educational partner," said Andrew A. Signore, PE, Chief Executive Officer, IPS. "IPS is committed to investing in our employees with professional training and educational opportunities. As a service firm, our employees are our greatest asset. Development programs such as IPS University enhance the business alignment of our staff and the clients we serve."

Bill Baker, Director of Corporate Training for the University of Phoenix Philadelphia Campus observed, "This graduation is a significant milestone in the leadership development of key company managers. The University of Phoenix is proud to partner with IPS in this impressive commitment to corporate education and management excellence."
