IPS JOINS FORCES WITH ALEX'S LEMONADE STAND FOUNDATION AT INTERPHEX 2012

-Company Supports Mission to Drive Awareness and Funds for Childhood Cancer-

Lafayette Hill, PA; April 23, 2012 – IPS-Integrated Project Services, a leading, full-service engineering, construction, commissioning and qualification company dedicated to assisting pharmaceutical and biotech companies to execute technically complex projects, today announced that the company has joined forces with Alex's Lemonade Stand Foundation (ALSF) to fight childhood cancer.

IPS will be hosting a lemonade stand at INTERPHEX 2012, the leading annual pharmaceutical and biopharmaceutical trade show, at the Jacob Javits Convention Center in New York in support of ALSF. IPS will be offering lemonade to all conference attendees at booth #3136 on Tuesday, May 1 and Wednesday, May 2 to help raise funds and drive awareness for childhood cancer research. In addition, IPS will also be hosting a lemonade stand at all of its U.S. office locations prior to the conference.

“We take great pride in helping and supporting such a great cause and organization like Alex's Lemonade Stand Foundation,” said Dave Goswami, PE, Chief Executive Officer/Managing Director. “As a service provider within the pharmaceutical/biotech industries, it is important that we support the same overarching mission of our clients - to find a cure, treatment, or prevention for diseases. The story of Alex is an inspiration to all of us.”

About Alex's Lemonade Stand

ALSF emerged from the front yard lemonade stand of cancer patient Alexandra “Alex” Scott (1996-2004). In 2000, four-year-old Alex announced that she wanted to hold a lemonade stand to raise money to help find a cure for all children with cancer. Since Alex held that first stand, the Foundation bearing her name has evolved into a national fundraising movement, complete with thousands of supporters across the country carrying on her legacy of hope. To date, Alex's Lemonade Stand Foundation, a registered 501 (c)3 charity, has raised more than \$50 million toward fulfilling Alex's dream, funding over two hundred pediatric cancer research projects nationally.
