IPS continues to grow in the EMEA & APAC regions by strengthening their unique brand of project delivery platform

- Mr. William McNamara, a well-recognized construction executive in the life sciences industry, joins IPS to strengthen construction management services in the EMEA and Asia Pacific Regions -

Blue Bell, Pennsylvania, September 6, 2017 – IPS-Integrated Project Services, LLC (IPS), a leading provider of Engineering, Procurement, Construction Management and Validation (EPCMV) services, announces the joining of Mr. William McNamara as Executive Director of Construction Management for EMEA and Asia Pacific Regions.

With the rapid growth of IPS' EMEA region, and in response to clients' increasing demand for single-source EPCMV project delivery throughout the world, IPS is strengthening their global EPCMV delivery platform with the addition of Mr. William McNamara, a life sciences industry-recognized construction executive. Mr. McNamara is based in IPS' newly established Ireland office and has operational leadership of the office, as well as overall responsibility of the construction business in the EMEA and Asia Pacific regions.

Mr. McNamara is one of the most distinguished construction executives in the global pharmaceutical sector. He brings years of experience in the life sciences industry across a variety of project delivery models around the world. Mr. McNamara has excellent knowledge of the Singapore/Malaysia construction market having spent over eleven years in Singapore delivering large, complex projects in the life sciences industry. He also brings strong leadership and management experience having served as Country Managing Director of a very large, well-known global construction company.

"Mr. McNamara embodies IPS' commitment to feature the world's best talent and experts in all our service platforms and in all global regions. After the recent joining of Mr. Tom Chapman, I couldn't be more pleased and proud to have another top expert in the construction industry join the IPS team," said Dave Goswami, P.E., IPS Chairman and Chief Executive Officer. "In addition to strengthening our construction management offering, Mr. McNamara will also provide strong leadership in our new business in Ireland and contribute significantly to the further growth of our EMEA region."

About IPS

IPS is a global leader in developing innovative and cost-effective solutions for the biopharmaceutical and life sciences industries. Headquartered in Blue Bell, PA-USA, IPS is a multi-national company with over 1,000 professionals, and offices in the US, Canada, Brazil, UK, Ireland, Switzerland, Singapore, China, and four locations in India.
